EXPERIENCE

Lightborne Communications, Inc.

Web Designer

Cincinnati, OH
May 2006-Oct 2009

- Converted entire portfolio website from table-based layout to valid xhtml.
- Maintained, improved and created code and graphics for company intranet and website.
- Collaborated on several team projects, including websites, music videos and commercials.
- Extensively used Adobe Photoshop/Illustrator to create graphics for use in websites and video.
- Created pencil sketches and illustrations for use in storyboards and styleframes.
- Taught Adobe Photoshop/Illustrator lessons to coworkers.
- Troubleshoot network, email, hardware, and software issues for coworkers.

Freelance Web Design

Freelancer

Cincinnati, OH
Apr 2006-present

- Designed and maintained several websites for individuals and small businesses.
- Communicated directly with clients in order to create finely tuned websites.
- Customized xhtml/php/css/javascript code for each client based on their specific needs.
- Created and designed custom graphics particular to each client.
- Tested websites on a variety of browsers to ensure compatibility.

Chinese New Year Festival Organization, Washington University

Webmaster

Saint Louis, MO
Aug 2003-Aug 2005

- Created and maintained the website for the Chinese New Year Festival performance.
- Generated all graphics, wrote all xhtml/php code, and updated on a weekly basis.
- Shot and produced a video documenting the preparation of the show.

STaRS Program, Washington University

Graphic Design Intern

Saint Louis, MO
Summer 2004

- Collaborated with programmers to develop websites for clients.
- Consistently worked in a timely fashion to meet deadlines.
- Communicated with printing company for production of designed materials.
- Created designs for presentations, logos, office stationary and brochures.
